

NoorLink

COMPLIMENTARY GIFT WITH YOUR PURCHASE

Places of Meaning

A short ziyārah list for Makkah and Madinah, with etiquette that protects your worship and the people around you.

Thank you for choosing NoorLink. This gift guide is for personal preparation. It is not a tourism brochure, visa service, or Nusuk replacement.

Makkah

al-Masjid al-Ḥarām

Ṭawāf, prayer, Zamzam, and Sa'ī. Soft voice. Give way to elders and families.

Ṣafā & Marwah

Part of the rites for most pilgrims. Do not sit in the walking lanes.

Jabal al-Nūr (optional)

A hard climb in heat. Only if you are fit. Not required for Umrah.

Mina · 'Arafāt · Muzdalifah

Mainly for Hajj days with your agency. Follow your group schedule.

Worship first — arrival stress fades when the heart is present.

Madinah

al-Masjid an-Nabawī

Pray with presence. Send ṣalawāt upon the Prophet ﷺ.

The Rawḍah

Do not harm others for space. Acceptance is with Allah — not a photo.

Qubā' Mosque

Many visit for two rak'ahs. Keep the visit short and calm.

Uḥud & Qiblatayn

Places of history and reflection. Go with a plan; do not litter.

Etiquette that protects the journey

With Allah

Keep your intention clean. Prefer quiet dhikr over loud arguing. If you make a mistake in a rite, ask a knowledgeable person calmly.

With people

Do not push in ṭawāf, Sa‘ī, or the Rawḍah. Help those who need space. Keep group meeting points clear.

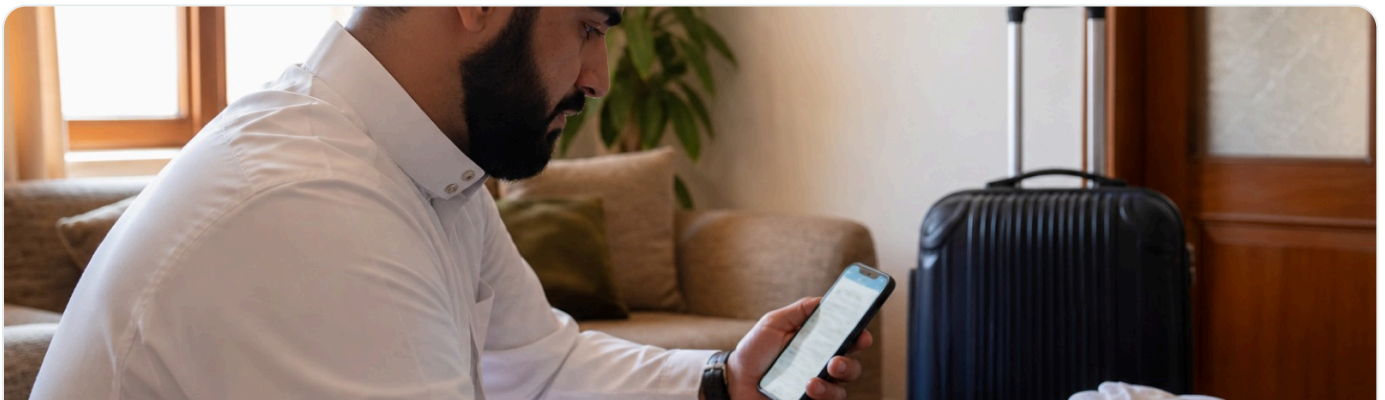

With the Kingdom’s rules

Carry ID as required. Follow Nusuk / Tawakkalna / official instructions when they apply. Respect photography restrictions. Walk away from pressure sales.

With yourself

Rest and hydrate. Charge your phone and power bank. Install your NoorLink eSIM on Wi-Fi before you fly so connection is one less stress on arrival.

Optional intention: “O Allah, accept from us, make us gentle with Your house and Your guests, and return us better than we came.” Say it in your own language.

Prepare at home — arrive ready for worship.
